**A natural extension of
our supervisory remit –
no need for specific
regulation**

A pair of black-rimmed glasses, a brass compass, and a surveying level are placed on a map. The text "Big uncertainties – need for analyzing different scenarios" is overlaid in white. The background is a blurred map with various colored lines and text. The surveying level is a red and silver device with a lens and a scale. The compass is a brass instrument with a needle and a scale. The glasses are a simple black frame.

**Big uncertainties – need for
analyzing different
scenarios**

**International standards
needed – the TCFD
report is an important
step forward!**
